Re: Claim of Confidentiality - ETICAM, Nevada

Dear Mr. Mix:

Ecology and Environment, Inc. is currently a contractor to the U.S. EPA under Contract No. 68-W9-0020. A Preliminary Site Assessment of the ETICAM-Nevada Facility is scheduled for June 18, 1992.

Pursuant to information and directions received in the letter of introduction for Ecology and Environment, Inc., ETICAM-Nevada claims all information obtained in the site assessment pertaining to process and equipment design as confidential and proprietary. This claim includes but is not limited to the process chemistry, procedures, equipment design, capabilities and capacities of this facility. Information covered by this claim may be released by EPA or its representatives only to the extent authorized by CERCLA Section 104(e).

Please contact Mr. Phillip Harrison, Environmental Safety Manager or Mr. Byron Bradd, General Manager at ETICAM - 702-575-2760 for any further information.

Sincerely,

Phillip Harrison
